

## **Job Title: Chief Technology Officer (CTO) - Mortgage Bank**

**Location: Las Vegas, NV**

**Company Overview:** An innovative start-up mortgage bank based in Las Vegas, is seeking an accomplished and visionary Chief Technology Officer to lead the technology department. In this role, you will be responsible for identifying and implementing cutting-edge mortgage banking applications and software, as well as developing proprietary technologies to enhance operational efficiency and reduce costs. We are looking for a dynamic leader to drive our technological strategies and contribute to our overall growth.

### **Key Responsibilities:**

#### **1. Technology Strategy:**

- Develop and execute a comprehensive technology strategy aligned with the company's business goals.
- Identify and prioritize technology initiatives that enhance operational efficiency, client satisfaction and innovation.

#### **2. Application and Software Identification:**

- Collaborate with stakeholders to identify and evaluate mortgage banking applications and software solutions.
- Stay abreast of industry trends and emerging technologies to ensure the company remains at the forefront of innovation.

#### **3. Proprietary Technology Development:**

- Lead the development of proprietary technologies to streamline processes and improve overall efficiency.
- Work closely with the executive team to align technology development with strategic objectives.

#### **4. Team Leadership:**

- Manage and lead the technology department, fostering a culture of innovation and collaboration.
- Recruit and retain top talent, providing mentorship and professional development opportunities.

**5. Cross-Functional Collaboration:**

- Collaborate with other departments, particularly operations, finance, lending and risk, to ensure seamless integration of technology solutions.
- Work with the executive team to align technology strategies with overall business objectives.

**6. Cost Management and Efficiency:**

- Identify opportunities for cost reduction through the implementation of technology solutions.
- Implement technologies that enhance operational efficiency, reduce manual processes and increase client satisfaction.

**7. Security and Compliance:**

- Implement robust cybersecurity measures to protect the company's data and information.
- Ensure compliance with regulatory requirements related to technology and data management in the mortgage banking industry.

**Qualifications:**

- Proven experience as a Chief Technology Officer, preferably in the mortgage banking industry.
- In-depth knowledge of mortgage banking technology, applications, and software solutions.
- Demonstrated success in developing and implementing proprietary technologies.
- Strong leadership and team management skills.
- Excellent problem-solving and strategic thinking abilities.
- Bachelor's or Master's degree in Computer Science, Information Technology, or a related field.

**Compensation:** Salary is commensurate with experience and includes a competitive benefits package.

**How to Apply:** Interested candidates should submit their resume and cover letter to [info@riseapllc.com]. Please include "CTO Application - [Your Name]" in the subject line.

The anonymous mortgage bank is an equal opportunity employer and welcomes candidates from all backgrounds to apply.

*Note: This job description is intended to convey information essential to understanding the scope of the CTO position and is not exhaustive. Duties, responsibilities, and activities may change, and additional responsibilities may be assigned as needed.*
